SPRING

2024

say hello to onsemble.

We offer adaptive solutions to
create foundational spaces.

How? By putting our heads
together to give you the tools to
stay connected. Because nobody
works smarter in a silo.

So bring it, together.

WIK

How a space looks, feels and functions is critical to its success.

Our approach is simple: Listen, learn and respond with adaptive furniture.

**No matter how you work,
we have the tailor-fit solution.**
